About the *expo*

I am delighted to announce an initiative of PARAMOUNT EXHIBITORS organizing the India International Instrumentation 3i Expo.

As globalization intensifies, so does competition among businesses. Innovation is essential to survive in the current climate. The 3i Expo is a multi-faced trade event offering state-of-the-art trends, technologies and new innovations.

Instrumentation Expo (3i Expo) is the expo of industrial and automation processes. This Expo would cover measurement and control of process variables within a production or manufacturing area.

The objective of organizing this event is to provide a platform to the exhibitors to present their organization to a highly internationalized audience focusing on investments in the sector, increase their brand's recognition, and develop new business relationships and gather business leads. It brings together professionals and industry experts to share valuable experienced knowledge and innovative ideas to make advance in the instrumentation industry.

Conference rooms and business lounges for manufacturer dealer meet and company presentations have been incorporated in the plan for the 3i Expo to promote company message/ launching of new products, technology, services and appoint dealers and build contacts.

A perfect place to build your professional network with existing suppliers and connect with potential suppliers and partners.

I would urge you to come forward and participate wholeheartedly. Just in case of any queries, please feel free to get in touch with me.
