- The admirable class of event infrastructural material/ interiors is being furnished by our own sister concern M/S PARAMOUNT EVENT MANAGEMENT & INFRASTRUCTURE SOLUTIONS

About the *expo*

As globalization intensifies, so does competition among businesses. Innovation is essential to survive in the current climate.

India Machine Tools & Automation Expo, an initiative of Paramount Exhibitors is an event showcasing new trends and technology in Machine Tools & Automation Industries that will kick-start innovation, paving the way for your company's sustained growth and India Machine Tools & Automation Expo is a multi-faced trade event offering state-of-the-art trends, technologies and new innovations in engineering, design, and manufacturing. Moreover, what makes this Expo. so unique is its otherwise unavailable content, including speeches by specialist reporters covering the latest information technology developments.

This year, you will be able to experience the latest technologies in ever-evolving enterprise information systems. Understand the first-hand the full spectrum of manufacturing technologies and solutions for technology applications in one place. An opportunity to learn the latest technologies, challenges, and opportunities facing the technical industry, through interactive, technical and industry sessions.

A perfect place to build your professional network with existing suppliers and connect with potential suppliers and partners. We are certain that INDIA MACHINE TOOLS & AUTOMATION EXPO will live up to your expectations.

I would urge you to come forward and participate wholeheartedly. Just in case of any queries, please feel free to get in touch with me.
